

## 1L Summer Associate Diversity Program

As part of our ongoing efforts to recruit high caliber attorneys, we offer a 1L Diversity Summer Program to a select number of students. These positions are offered to exceptional first-year law students who can contribute to the diversity of our Firm and the broader legal community through their own individual viewpoints and lived experiences.

We define diversity broadly; it includes, but is not limited to, differences across categories of race, ethnicity, gender, gender identity, sexual orientation, age, ability, experiences and socio-economic status. We encourage all qualified applicants to apply, and do not disqualify any applicants from consideration due to their protected characteristic(s).

1L summer associates are fully integrated into the summer class but are also afforded unique opportunities to network with and be mentored by both our attorneys and our clients. These opportunities include:

- Participation in the Leadership Council on Legal Diversity (LCLD) Scholars Program, including a 3-day national networking and professional development conference and a group mentoring program
- A partnership with LCLD and Carlyle, providing exposure to Carlyle's business and the opportunity to work alongside mentors from both Simpson and Carlyle
- Meeting with the Chair of Simpson Thacher during the summer program to learn more about the Firm's strategy and initiatives

Our goal for every summer associate is to create a range of social and business opportunities to interact with Simpson Thacher's people so summer associates can discover the incomparable range of our practice and our commitment to providing our clients with the highest-quality, most commercial legal advice available anywhere in the world.

Simpson Thacher 1L summer associates have the opportunity to join the Firm's affinity groups to interact with attorneys from a variety of backgrounds. Each summer, our affinity groups, Diversity Committee and Women's Committee host events to welcome and introduce summer associates to their groups.

Our summer program includes a host of social events, both formal and informal, that are designed to nurture relationships among the summer class and attorneys. Highlights of our most recent program included our annual partner dinner, Central Park Zoo family night, Yankees game, private boat tour on the Hudson River, and much more.
