Conrad Harper 2L Diversity Fellowship

As part of Simpson Thacher’s ongoing commitment to diversity, equity and inclusion, in 2021, the Firm launched the Conrad Harper 2L Diversity Fellowship. Following his civil rights work with the NAACP Legal Defense Fund, Conrad Harper brought his legal expertise to Simpson Thacher. In 1974, he became the Firm’s first African-American partner—one of only two such partners at major law firms in New York City at the time. Since then, the Firm has continued to view diversity as one of our greatest strengths and remains committed to recruiting, developing and promoting a broadly diverse talent pool of attorneys at all levels of practice.

Named in honor of this trailblazing Retired Partner, the Conrad Harper Fellowship seeks to increase and support Simpson Thacher’s pipeline of associates through our Summer Program who have demonstrated a commitment to advancing diversity and inclusion in the legal profession.

In addition to the substantive experience, comprehensive legal training and salary associated with the Simpson 2L summer associate program, the Diversity Fellowship offers $50,000 to help defray the cost of tuition, loans and other law school-related expenses.

The $50,000 award will be paid in two installments

- $25,000 upon joining our 2025 summer program
- $25,000 upon starting with the Firm as a first-year associate

Conrad Harper 2L Diversity Fellowships are being offered in all of our U.S. offices.

Fellowship applications will be accepted and reviewed on a rolling basis beginning Spring 2024. Award decisions will be made throughout the summer.
